

## **Process evaluation concerning prevention of HIV and other sexually transmitted diseases within the campaign `ICH WEISS WAS ICH TU´**

Univation is commissioned to evaluate elements of the campaign `ICH WEISS WAS ICH TU´ (`I know what I'm doing´), carried out by Deutsche Aids-Hilfe e. V. The process evaluation aims at providing information for the further development of these elements (campaign website, facebook appearance, online health support, collaboration with Facharbeitskreis Schwule Prävention, pilot project in rural regions, ...).
