

Evaluation of the `training voucher`

In cooperation with the research group SALSS in Bonn, Univation is evaluating the "training voucher" (Bildungsscheck) a funding instrument introduced in the federal state of North-Rhine-Westphalia/Germany which aims at enhancing and fostering the participation in continuing education.

In the scope of the evaluation, several European funding instruments shall be integrated in order to compare results, include successful and avoid critical options.

Contracting entity: Ministry of labour, health and social affairs, North-Rhine-Westphalia
